Manding's Kitchen is a love letter to our beloved Nanay and Lola, **Neri Arlan Virtudazo**, whom we lovingly called Manding. Her warmth, strength, and love were the heart of our family, and through this space, we honor her legacy.

Born and raised in Siargao, Manding had a remarkable gift for bringing people together through her meals and kindness. Her dishes were not just food but expressions of love and cherished memories.

Created with love by her children and grandchildren, this restaurant is a tribute to her spirit. Every dish reflects the meals she lovingly crafted for us, infused with the flavors and traditions she cherished. We invite you to join us at our table and celebrate the love, family, and the beautiful island of Siargao Manding Neri called **home**.
